We are pleased to inform you that your paper has been accepted for consideration for the First International Micro & Mini Computer Conference.

Enclosed please find an Author's Kit for you to prepare your manuscript. The instructions for the author sheet is included in the Kit. The length of a paper is limited to 6 model paper.

Please send your paper to me before <sup>Aug</sup> ~~July~~ 1. You will be notified about the reviewers' recommendations of your paper before August 1. When you send your paper to me, please be sure to include the IEEE copyright form.

After we receive your paper, we will reduce the size of the model paper pages to regular page size sheets and send out for review. If revision is necessary, we will send you another Author's Kit to prepare your final manuscript. If the paper is acceptable as it is, then no additional typing will be needed. If you have any questions, please let me know.

Thank you for your contribution to this conference.

Sincerely yours,

*Samuel C. Lee*
